**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have been using Sonic for internet access for several years because the quality and cost of the big providers were totally unacceptable. I have been very pleased with the excellent quality and the customer service, as well as the price. This option would disappear for me without broadband competition and I would forced to pay more for what has been lousy service in the past. Please DO NOT send us back down that road. Thank you.
